ABOUT THE TUTOR

Welcome to Chinese class. My name is Gezi Cox, I teach K-12 Mandarin Chinese classes at Koinonia. 2020 will be my 7th year teaching Mandarin Chinese classes at Koinonia. In addition to Koinonia, I am teaching at Grand Rapids Christian High School.

My husband, Oscar, my son, Christoffer, our cat George and I live in Rockford. I like music, art, cooking, swimming and travel.

In 2020-2021 school year, we have Chinese KK class, JH class and High school class. At KK class, my teaching focuses on oral learning, basic Chinese grammar and character writing. Also, the younger kids will to learn several Mandarin Chinese children songs.

In JH class, students will learn conversation, grammar vocabulary, and write essays. The basic Chinese culture, tradition and history will also be taught.

In high school class, students will learn everyday conversation and reading articles. I will build on the Chinese history, culture, and traditions students have learned at the JH level class.

My teaching philosophy is to let students be happy as they learn. I will make learning fun and interesting, but also strictly require students to do class practicing and complete their homework. All of this is impossible without the support of the parents. I will share with all my students; Chinese music, art, customs and even Chinese food.
